

Canadian Unit, Formation, and Command Histories

Units – regiments, corps, squadrons, and ships – form the foundation of the Canadian military. This new series from Wilfrid Laurier University Press critically explores the organizational, personal, societal, and cultural themes of those units by blending traditional operational history with innovative approaches in military scholarship.

To those Loyal Gunners who served New Brunswick and
Canada so well over the last two centuries, and to those men
and women who continue to serve. They truly give meaning to
Quo fas et gloria ducunt.
