## **Acknowledgments**

The authors gratefully acknowledge all those who have made this book possible. We are especially grateful to Russell Barsh, Leroy Little Bear, Shelley Wright, and Erica-Irene Daes, lawyers, scholars, and friends who provided research, analysis, and written texts in earlier studies and discussions on these issues. We thank Elizabeth Maier for her reference checks and work on the bibliography.

Special thanks are extended to Professor Len Findlay of the English Department at the University of Saskatchewan and Dr. Isobel Findlay of Commerce Communications for their astute appraisals and editing of an early draft of this book, for their valued suggestions, and for their continuous support in the many stages of this project; to Jane Billingham of Page Wood Publishing Services for her copious editing of the manuscript; to our extended community who shared their support, advice, and laughter during many needed times; and to our children, Jaime Youngmedicine, Mariah Sunday Lace, and Annie Wintersong, whose understanding and support for our collective Indigenous community have made it possible for us to do the much-needed work.
