PART I ☆ INTRODUCTION: CONTEXTS FOR ISAAC MARKHAM, HIS PAPERS, AND HIS DRAWINGS	
Chapter 1 ISAAC EBENEZER MARKHAM (1795–1825)	3
Middlebury in the Late Eighteenth Century	3
Markham's Family Background in Vermont	3
Isaac Markham: Early Years	7
Isaac Markham: Working Life	9
Markham's Death	15
Markham's Legacy: Page's Cotton Factory and the Later Middlebury Cotton Industry	15
Chapter 2 MARKHAM IN THE CONTEXT OF THE NASCENT AMERICAN COTTON-MANUFACTURING INDUSTRY	17
Chapter 3 VISUAL KNOWLEDGE IN THE WORKSHOP: THE WIDER SIGNIFICANCE OF MARKHAM'S PAPERS	39
A Visual Knowledge Approach	39
Seeing in a Different Way: The Changing Nature of Visual Representation in European Engineering Before the Mid-1820s	42
The Diffusion of Visual Engineering Knowledge in the Early American Republic	68
Visual Aspects of the Generation of New Knowledge in Early-Anglo-American Industrial Engineering	87
Markham's Visual Engineering Knowledge	106
Chapter 4 THE SIGNIFICANCE OF ISAAC MARKHAM AND HIS WORKSHOP PAPERS	111
Chapter 5 EDITORIAL METHOD	117
Identification of the Drawings	117
Editorial Apparatus	117
Cross-Referencing	118
Identification of Mechanisms	119

PART II ☆ THE PAPERS AND DRAWINGS OF ISAAC MARKHAM	121
Chapter 6 MARKHAM'S DRAWINGS AND PAPERS	123
1. Notebooks and Loose Sheets of Writing	123
2. Sketchbook	186
3. Drawings: Carding	210
4. Drawings: Drawing and Roving	228
5. Drawings: Spinning—Continuous and Intermittent	246
6. Drawings: Spinning—"Fly Wheel Spinning"	272
7. Drawings: Warp Preparation—Warping and Dressing	286
8. Drawings: Weaving	302
9. Portfolio Cover: Gears, Pulleys, Cams	316
PART III ☆ APPENDICES: MICRO-STUDIES	329
Appendix 1: History and Provenance of the Papers	331
Appendix 2: The Diffusion of Technology: British and American Published Sources of Industrial Textile Technology Before 1825	335
Appendix 3: How Inventive Was Markham? Drawings of Exemplars of British Textile Machinery Available to Markham and Selected American Comparators	345
Appendix 4: The Scotch and Waltham Power Looms and Markham's Power-Loom Designs	369
Appendix 5: Markham's Drawings and Methods of Early-Nineteenth-Century Machine Making	377
Appendix 6: As a Record of One Textile Engineer's Practices ca. 1820, How Complete Is This Set of Workshop Drawings?	389
BIBLIOGRAPHY	391
