
Preface

The papers in this volume were written for a conference held in honor of Anna J. Schwartz at the Halloran House Hotel in New York City on 6 October 1987. The conference gathered together many of Anna Schwartz's colleagues from the NBER, the academic world, private industry, and government to discuss five papers written on themes related to her lifetime research interests. At a dinner at the end of the conference, Anna Schwartz was presented by Milton Friedman with a copy of *Money in Historical Perspective* (University of Chicago Press 1987), a collection of her articles.

I would like to express my appreciation to the authors, discussants, and invited participants for their contribution to the conference. Above all, I would like to thank Milton Friedman for his help in organizing the conference.

For valuable financial assistance I would like to thank the Lynde and Harry Bradley Foundation, the Earhart Foundation, and the Alex C. Walker Educational and Charitable Foundation.

All the participants express their thanks to Kirsten Foss Davis and her staff for their efficient management of the conference arrangements.
