CONTEMPORARY ASIA IN THE WORLD

CONTEMPORARY ASIA IN THE WORLD

David C. Kang and Victor D. Cha, Editors

This series aims to address a gap in the public-policy and scholarly discussion of Asia. It seeks to promote books and studies that are on the cutting edge of their disciplines or promote multidisciplinary or interdisciplinary research but are also accessible to a wider readership. The editors seek to showcase the best scholarly and public-policy arguments on Asia from any field, including politics, history, economics, and cultural studies.
