Foreword		ix
Preface		xi
Acknowledgments		xiii
Introduction		xv
1 Nonflowering Plants		1
Spores	dwarf bristle-moss	2
Cross-Fertilization	umbrella liverwort	3
Vegetative Reproduction	umbrella liverwort	4
Self-Fertilization	hemispheric liverwort	5
Spores Without Fertilization	purple cliffbrake fern	6
Lost Sex	marble screw-moss	7
Sporadic Sex	silvergreen bryum moss	8
2 Herbaceous Annual Plants		9
Opportunistic Cross-Fertilization	common chickweed	10
Nectar Robbery	jewelweed	12
Male-to-Female Sex Change	jewelweed	13
Flowers That Never Open	jewelweed	14
Quantitative Gender	common ragweed	15
Male-Male Competition	common ragweed	16
Urban Sexual Isolation	common ragweed	17
Evolutionary Arms Race	field dodder	18
3 Herbaceous Perennial Plants		19
Sexually Transmitted Disease	white campion	20
Nocturnal Fertilization	white campion	21
Urban Self-Fertilization	creeping wood sorrel	22
Seeds Without Fertilization	common dandelion	23
Gynogenesis	silver cinquefoil	24
Mixed Modes of Mating	St. John's wort	25
Mating Types	yellow toadflax	26
Genetic Mixing	white clover	27
Efficiency of Mating	common milkweed	28
Exotic Hybrid Vigor	common reed	29
Variability in Fertility	mugwort	30
Hybrid Speciation	salsifies	31
Lost Sex	threadstalk speedwell	32
4 Trees and Woody Vines		33
Segregation of Sexes	box elder	34
Sex Change in a Tree	silver maple	35
Sex Change Over Days	Norway maple	36
Exotic Male Interference	bittersweets	37
Exotic Male Dominance	mulberries	38

5 Butterflies and Moths		39
Aphrodisiacs and Anti-aphrodisiacs	cabbage white butterfly	40
Males Emerge First (Protandry)	cabbage white butterfly	41
Average Is Best	male orange sulfur butterfly	42
Male Territoriality	red admiral butterfly	43
Sex-Limited Mimicry	eastern tiger swallowtail	44
Sequestered Females	evergreen bagworm moth	46
Long-Distance Sex Pheromone	cecropia moth	47
Infertile Mating	ailanthus webworm moth	48
6 Bees, Wasps, and Ants		49
Matricide	bald-faced hornet	50
Polyandry	common eastern bumblebee	51
Female Usurpers	common eastern bumblebee	52
Male Stuffing	European paper wasp	53
Leks	European paper wasp	54
Sons from Unfertilized Eggs	cicada killer	55
Lopsided Sex Ratio	pavement ant	56
7 Dragonflies and Praying Mantises		57
Male Territoriality	blue dasher dragonfly	58
Secondary Genitalia	blue dasher dragonfly	59
Female Mimicry of Males	blue dasher dragonfly	60
Polarized Light Pollution	dragonflies	61
Monandry	fragile forktail damselfly	62
Sexual Cannibalism	praying mantises	63
Femme Fatale	praying mantises	64
8 Other Insects		65
Femme Fatale	fireflies	66
Contest Competition in Males	reddish-brown stag beetle	67
Vulnerable Mating Place	locust borer	68
Sexual Emigration	red milkweed beetle	69
Leks	northern house mosquito	70
Facultative Parthenogenesis	oriental cockroach	71
Parthenogenesis	milkweed aphid	72
Cyclic Parthenogenesis	poplar leaf aphid	73
Traumatic Insemination	bedbug	74
9 Invertebrates Exclusive of Insects		75
Sexual Mixing Around Outdoor Lights	bridge spider	76
Two Sets of Male Genitalia	bridge spider	77
Sexually Compatible Personalities	bridge spider	78
Genetic Mixing in the City	house spiders	79
Mating Without Copulation	house centipede	80
Androgenesis	Asian clam	81
Facultative Self-Fertilization	gray garden slug	82
Sexual Conflict of Interest	nightcrawler earthworm	83
Lethal Mating Trails	terrestrial flatworms	84

10 Reptiles, Amphibians, and Fish	85
Anti-aphrodisiac Pheromone	common garter snake 86
Mimetic Sex Pheromone	common garter snake 87
Sex Determination by Temperature	red-eared slider turtle 88
Amplexus	American toad 89
Alternative Mating Tactics	American toad 90
Panmixia	American eel 91
Parenting Alone	bluegill 92
Sexual Mimicry	bluegill 93
Feminizing Pollution	bluegill 94
11 Mammals	95
Territoriality	eastern gray squirrel 96
Mating Plug	eastern gray squirrel 97
Alternative Mating Tactic	eastern gray squirrel 98
Copulation-Induced Ovulation	eastern cottontail 99
Pregnancy Blocker	house mouse 100
12 Birds	101
Territoriality	red-tailed hawk 102
Conditional Sexual Trait	house finch 103
Submissive Male	house finch 104
Courtship Feeding	house finch 105
Repeated Broods	mourning dove 106
Shortened Courtship	mourning dove 107
Coping with Noise	mourning dove 111
Sexual Singing	American robin 112
Four Sexes	white-throated sparrow 113
Colonial Bonds	house sparrow 114
Rape	Canada goose 115
Domestication of Sex	Canada goose 116
Brood Parasite	brown-headed cowbird 117
Polygyny	European starling 118
13 Fungi, Bacteria, and Lichens	119
Microbial Mating	bacteria 120
Vegetative Reproduction	lemon lichen 121
Mating Types	mushroom-forming fungi 122
Microbial-Induced Change in Sex	pill bug 123
Sex for Biological Control	Asian tiger mosquito 124
Conclusion	125
Glossary	126
Notes	129
