

CULTOGRAPHIES

CULTOGRAPHIES is a new list of individual studies devoted to the analysis of cult film. The series provides a comprehensive introduction to those films which have attained the coveted status of a cult classic, focusing on their particular appeal, the ways in which they have been conceived, constructed and received, and their place in the broader popular cultural landscape. For more information, please visit www.cultographies.com

Series editors: Ernest Mathijs (University of British Columbia)
and Jamie Sexton (University of Wales, Aberystwyth)
