INSURRECTIONS: CRITICAL STUDIES
IN RELIGION, POLITICS, AND CULTURE

Slavoj Žižek, Clayton Crockett, Creston Davis, Jeffrey W. Robbins, Editors

The intersection of religion, politics, and culture is one of the most discussed areas in theory today. It also has the deepest and most wide-ranging impact on the world. *Insurrections: Critical Studies in Religion, Politics, and Culture* will bring the tools of philosophy and critical theory to the political implications of the religious turn. The series will address a range of religious traditions and political viewpoints in the United States, Europe, and other parts of the world. Without advocating any specific religious or theological stance, the series aims nonetheless to be faithful to the radical emancipatory potential of religion.
