*The East Asian Institute of
Columbia University*

THE East Asian Institute of Columbia University was established in 1949 to prepare graduate students for careers dealing with East Asia, and to aid research and publication on East Asia during the modern period. The faculty of the Institute are grateful to the Ford Foundation and the Rockefeller Foundation for their financial assistance.

The Studies of the East Asian Institute were inaugurated in 1962 to bring to a wider public the results of significant new research on modern and contemporary East Asia.
