What'cha gonna do, what'cha gonna do What'cha gonna do, what'cha gonna do What'cha gonna do, what'cha gonna do When the land goes under the water? Can't go east, Can't go west What'cha gonna do, what'cha gonna do Black tide's coming it'll do the rest When the land goes under the water? Can't go north, can't go south What'cha gonna do, what'cha gonna do Can't go swimming to a big whale's mouth When the land goes under the water? The land is broke, the skies are too What'cha gonna do, what'cha gonna do Too little warning when it comes for you When the land goes under the water? What'cha gonna do, what'cha gonna do What'cha gonna do, what'cha gonna do What'cha gonna do, what'cha gonna do When the land goes under the water? What'cha gonna do, what'cha gonna do What'cha gonna do, what'cha gonna do What'cha gonna do, what'cha gonna do When the land goes under the water?
