This book was made possible by the remarkable leadership of Monsignor Marcelo Sánchez Sorondo, who hosted and guided the Ethics in Action initiative during his tenure as Chancellor of the Pontifical Academies. Ms. Gabriella Marino (Pontifical Academies) brilliantly coordinated the meetings that provided the foundation of this volume, in collaboration with Prof. Anthony Annett and Ms. Sharon Paculor (Center for Sustainable Development at Columbia University). Ethics in Action was supported by the UN Sustainable Development Solutions Network, Religions for Peace, the Center for Sustainable Development at Columbia University, the University of Notre Dame, the Blue Chip Foundation, the Fetzer Institute, Ms. Christina Lee Brown, and Ms. Jacqueline Corbelli.
