### SOUTH KOREA AT THE CROSSROADS

nalists, educators and students, civic and religious leaders, and other interested citizens in order to help them better understand the world and the foreign-policy choices facing the United States and other countries. Founded in 1921, CFR carries out its mission by maintaining a diverse membership, with special programs to promote interest and develop expertise in the next generation of foreign-policy leaders; convening meetings at its headquarters in New York and Washington, D.C., and in other cities where senior government officials, members of Congress, global leaders, and prominent thinkers come together with CFR members to discuss and debate major international issues; supporting a studies program that fosters independent research and enables CFR scholars to produce articles, reports, and books and to hold roundtables that analyze foreignpolicy issues and make concrete policy recommendations; publishing Foreign Affairs, the preeminent journal on international affairs and U.S. foreign policy; sponsoring independent task forces that produce reports with both findings and policy prescriptions on the most important foreign-policy

The Council on Foreign Relations (CFR) is an independent, nonpartisan membership organization, think tank, and publisher dedicated to being a resource for its members, government officials, business executives, jour-

The Council on Foreign Relations takes no institutional positions on policy issues and has no affiliation with the U.S. government. All views expressed in its publications and on its website are the sole responsibility of the author or authors.

topics; and providing up-to-date information and analysis about world

events and American foreign policy on its website, www.cfr.org.
