

Private Women, Public Lives

*Chicana Matters Series / Deena J. González and Antonia Castañeda,
editors*

Chicana Matters Series focuses on one of the largest population groups in the United States today, documenting the lives, values, philosophies, and artistry of contemporary Chicanas. Books in this series may be richly diverse, reflecting the experiences of Chicanas themselves, and incorporating a broad spectrum of topics and fields of inquiry. Cumulatively, the books represent the leading knowledge and scholarship in a significant and growing field of research and, along with the literary works, art, and activism of Chicanas, underscore their significance in the history and culture of the United States.
