## Translator's Acknowledgments

This translation would not have come into being without the inspiration and perseverance of Edla Van Steen and a grant-in-aid from Lake Forest College. I warmly thank University of Texas Executive Editor Theresa J. May for her continuing support. I am grateful for the generous help, encouragement, and patience provided by Beatriz Zonis, to whom this translation is dedicated.

## Village of the Ghost Bells

"Oh, sir, you know well that life is filled with infinite absurdities, which, shamelessly, need not have the slightest appearance of truth. And do you know why? Because those absurdities are true."
