

ACKNOWLEDGMENTS

The publishers are grateful to Sra. Margarita V. de Orozco for permission to introduce her late great husband's autobiography to the English-speaking world. Gratitude is likewise due to Sr. Clemente Orozco, son of the artist, for invaluable assistance in obtaining the photographs of drawings and paintings with which this book is illustrated. Many of these paintings and drawings are from the Orozco family collection; a number of them have never before been reproduced. Clemente Orozco also reviewed the completed translation, with the assistance of his friend Miss Nina Zoss B., of Malibu, California, and offered a number of helpful suggestions.
