

## ACKNOWLEDGMENTS

**R**OUND UP the usual suspects.

Gratitude to Bruce Bugbee for his bountiful knowledge and good heart.

Many thanks also to Land Lindbergh, Dave Odell, and Bob Kiesling for taking the time to talk.

The Montana Land Reliance, Five Valleys Land Trust, and all the other land trusts in the state provided real data and tangible optimism.

The names of those who have helped would fill phone books.

Here are just a few: Beth Pollack, Emma Bovary Zunz Goldman Peele, Jamie Kay of Missoula's "Fine Lines," Frank Waldbillig, Bill Long, Daryl Goebel, Chris Field, Paul Starrs, Dave Larson, Elmer Cyr, Pat Williams, Merrill Riddick, Vince Swann, Jim Carculis, and all the folks at that certain bar.

I owe you all a round. Even if I don't win at keno.

My friends in the Geography Department at New Mexico State University have been terrific and loyal. Thanks to Bob Czerniak and Mike DeMers. Muchas gracias to René Casillas for being supportive.

And as always, to Mum and Cathy, the deepest kind of love.
