

Acknowledgements

This edited book grew out of a conference on Labour Oratory held at the University of Huddersfield in November 2011, and we are grateful to that institution for supporting the event. We would like to thank all the contributors for taking part in the conference and for working with us to bring this project to fruition. We would particularly like to thank Tony Mason for supporting this idea from its inception, and owe a debt of gratitude also to the anonymous reviewers for their thoughtful comments and timely feedback. Finally we would like to thank the Rt Hon Hilary Benn MP for kindly providing the foreword for the volume. The foreword was completed before the decision was taken, somewhat late in the day, to add a chapter on Ed Miliband to the volume.
