MEDIEVAL
LITERATURE
AND CULTURE

The Manchester Medieval Literature and Culture series publishes new research, informed by current critical methodologies, on the literary cultures of medieval Britain (including Anglo-Norman, Anglo-Latin and Celtic writings), including post-medieval engagements with and representations of the Middle Ages (medievalism). 'Literature' is viewed in a broad and inclusive sense, embracing imaginative, historical, political, scientific, dramatic and religious writings. The series offers monographs and essay collections, as well as editions and translations of texts.
