

Acknowledgements

This book would not have been possible without the invaluable help of a number of people. Matthew Frost and his design team at Manchester University Press, for not only believing in the project but also offering advice, guidance and certainly patience to the editors; also, staff at the Northern Film School and Leeds Beckett University for their disbelief that we could find something academic to write about The Mighty Jason Statham. Praise goes to Mr Steve Chasman, Jason Statham's friend and producer, who telephoned Steve in the office and questioned him about the project, where the words 'Jason is intrigued about your book' were etched into his memory. Mr Paul Feig contacting Steve was a brilliant bonus, both on a personal level and for this collection. Finally, acknowledgements must go to the book's contributors, who have not only delivered their manuscripts (mostly) on time, but shared their incredible enthusiasm for the project.
