This edited book grew out of a conference on Conservative oratory organised under the auspices of the PSA Conservatives and Conservatism Specialist Group. That event was held at the University of Huddersfield in November 2012, and we are grateful to that institution for supporting it. We would like to thank all the contributors for taking part in the conference and for working with us to bring this project to fruition. We would particularly like to thank Tony Mason for supporting this idea from its inception, and owe a debt of gratitude also to the anonymous reviewers for their thoughtful comments and timely feedback.
