

THESE Fiery
Frenchified DAMES

Early American Studies

DANIEL K. RICHTER

*Director, McNeil Center for Early American Studies,
Series Editor*

Exploring neglected aspects of our colonial, revolutionary, and early national history and culture, Early American Studies reinterprets familiar themes and events in fresh ways. Interdisciplinary in character, and with a special emphasis on the period from about 1600 to 1850, the series is published in partnership with the McNeil Center for Early American Studies.

A complete list of books in the series is available from the publisher.
