

*Constructing Gardens,
Cultivating the City*

PENN STUDIES IN LANDSCAPE ARCHITECTURE

John Dixon Hunt, Series Editor

This series is dedicated to the study and promotion of a wide variety of approaches to landscape architecture, with special emphasis on connections between theory and practice. It includes monographs on key topics in history and theory, descriptions of projects by both established and rising designers, translations of major foreign-language texts, anthologies of theoretical and historical writings on classic issues, and critical writing by members of the profession of landscape architecture.

The series was the recipient of the Award of Honor in Communications from the American Society of Landscape Architects, 2006.
