

# ***International Confucian Studies***

## **Call for Papers**

***International Confucian Studies*** is an English-language journal for global readers. It focuses on the study of Confucianism and traditional cultures by scholars worldwide. It aims to support communication and mutual learning among civilizations for upholding cultural diversity. The journal also strives to contribute new thoughts on promoting world peace, common development, and a community of a shared future for mankind. It seeks to serve as an international platform for exchanging ideas in Confucian studies. Research articles and critical reviews in relevant fields are especially welcome. It is published biannually in English and available by instant Gold Open Access. All submissions are subject to a double-blind peer-review process with at least two reviewers.

***International Confucian Studies*** is co-sponsored by International Confucian Association and Beijing Foreign Studies University, and co-published by Walter De Gruyter GmbH and Foreign Language Teaching and Research Press.

***International Confucian Studies*** focuses on international studies of Confucianism and its research scope involves but is not limited to the following topics:

- Confucian classics;
- General theory of Confucianism;
- Confucianism and Western learning;
- Confucianism and literature and art;
- Confucianism and the contemporary world;
- Confucian humanism and social development;
- Review article(s).

### **Editorial Board**

The editorial board consists of 36 distinguished international scholars from relevant specialties and institutions. Over 100 scholars review papers for the journal.

### **Submission Requirements**

- **Research Papers:** No more than 10,000 words for the body (excluding abstract, references and appendixes).
- **Review Articles:** No more than 4,000 words.
- **References:** Following the APA style (7th edition).
