INTERNATIONAL JOURNAL OF THE SOCIOLOGY OF LANGUAGE

**Editor / Herausgeber**

Joshua A. Fishman, Ofelia García Otheguy

Profile / Kurzcharakteristik

The International Journal of the Sociology of Language (IJSOL) is dedicated to the development of the sociology of language as a truly international and interdisciplinary field in which various approaches – theoretical and empirical – supplement and complement each other, contributing thereby to the growth of language-related knowledge, applications, values and sensitivities. Five of the journal's annual issues are topically focused, all of the articles in such issues being commissioned in advance, after acceptance of proposals. One annual issue is reserved for single articles on the sociology of language. Selected issues throughout the year also feature a contribution on small languages and small language communities.
