INTERCULTURAL PRAGMATICS

**Editor / Herausgeber**

Istvan Kecskes

Profile / Kurzcharakteristik

Intercultural Pragmatics is a fully peer-reviewed forum for theoretical and applied pragmatics research. The goal of the journal is to promote the development and understanding of pragmatic theory and intercultural competence by publishing research that focuses on general theoretical issues, more than one language and culture, or varieties of one language. Intercultural Pragmatics encourages “interculturality” both within the discipline and in pragmatic research. It supports interaction and scholarly debate between researchers representing different subfields of pragmatics including the linguistic, cognitive, social, and interlanguage paradigms.
