LINGUISTIC TYPOLOGY

**Editor / Herausgeber**

Frans Plank

Profile / Kurzcharakteristik

Linguistic Typology publishes original work on linguistic diversity and unity. Submissions are invited which report empirical findings about crosslinguistic variation and its limits, advance our understanding of the patterns of diversity and their historical development, or refine typological methodology. All structural domains are covered: phonetics and phonology, morphology and syntax, lexicon and discourse, semantics and pragmatics. All descriptive and theoretical frameworks are welcome which can meaningfully deal with diversity and unity, as are contributions from neighbouring disciplines which can shed light on them.
