

Template for Authors' Statements

EFFECTIVE February 2025

Acknowledgements *(If applicable)*

Funding Information *(mandatory)*

- Authors state no funding involved.
- The work was financed by

Author Contributions *(mandatory)*

- **For multi-authored publications:**

All authors have accepted responsibility for the entire content of this manuscript and approved its submission. IGH and JB designed the experiments and CC carried them out. HD developed the model code and performed the simulations. AA prepared the manuscript with contributions from all co-authors.

- **For single-authored publications:**

The author confirms the sole responsibility for the conception of the study, presented results and manuscript preparation.

Conflict of Interest *(mandatory)*

- Authors state no conflict of interest.
- Author N.N. is a member of Committee XXXX. Author N.N. owns shares of Company Y mentioned in the article.

Data Availability Statement *(recommended)*

Data availability statements can take one of the following forms (or a combination of more than one if required for multiple types of research data):

- The datasets generated during and/or analysed during the current study are available in the [NAME] repository, [PERSISTENT WEB LINK TO DATASETS]
- The datasets generated during and/or analysed during the current study are available from the corresponding author on reasonable request.
- Data sharing is not applicable to this article as no datasets were generated or analysed during the current study.
- All data generated or analysed during this study are included in this published article [and its supplementary information files].
- The data that support the findings of this study are available from [third party name] but restrictions apply to the availability of these data, which were used under license for the current study, and so are not publicly available. Data are however available from the authors upon reasonable request and with permission of [third party name].
